

**Foundation for
Packaging Education**

J. Richard Troll Memorial Scholarship Fund

Each year, the trustees of the J. Richard Troll Memorial Scholarship Fund grant monetary scholarships to three undergraduate-level college or university students and one graduate-level student of exceptional quality who are majoring in packaging engineering or a related packaging field.

The J. Richard Troll Memorial Scholarship Fund was established to honor the memory of the late Mr. J. Richard Troll, a founder of the AICC and the International Corrugated Packaging Foundation.
